Experience

Adobe Creative Consultant

Aug 2026 - Present | Adobe Creative Commons, University of Utah

- Troubleshot Creative Cloud issues 1:1 and designed signage and Instagram content for the Creative Commons.

UX Designer

May - Jun 2025 | Dasoni Co., Ltd | Remote, South Korea

- Designed end-to-end UX for a rhythm game, including HUD, menus, controller mapping, and readability, keeping navigation consistent across 20+ screens.
- Synthesized playtest feedback and produced animated characters and backgrounds in Photoshop and After Effects.

Marketing Associate Director

Aug 2024 - Apr 2025 | Associated Students at the University of Utah

- Designed election and info posters for 18 student government departments, plus a question box to help students reach their representatives.

Mobile App UI Developer

Jun - Aug 2024 | Dandilyonn | Remote, United States

- Selected as 1 of 52 from 100+ applicants across 30+ universities.
- Led user research (surveys n=30+, personas, journey maps) and translated insights into a design system and hi-fi prototypes with a 4-person cross-functional team.

Leadership

Adobe Ambassador, Student Leader

Jan 2025 - Present | University of Utah

- Built the club's brand from scratch and connected 60 members with Adobe through workshops and a Lehi office visit.

Selected Projects

Moment — Google Gemini Hackathon

Feb - Mar 2026 | Incheon, South Korea

- Led UX/UI design, wireframing, and prototyping using Figma.
- Partnered cross-functionally with 2 engineers to ship a working prototype; usability tests with 3 users showed all core tasks completed without accessibility issues.

NaverWhale — UX Research

Feb - Mar 2024 | Incheon, South Korea

- Conducted user interviews and usability tests to uncover usability issues in Whale Browser's wallpaper customization.
- Proposed a simplified 3-step theme flow based on research findings to reduce friction.
